Problem Statement

Ever wished for a friendly AI buddy who can lend an ear and sprinkle a little digital wisdom for those cloudy days? ☁️🤖

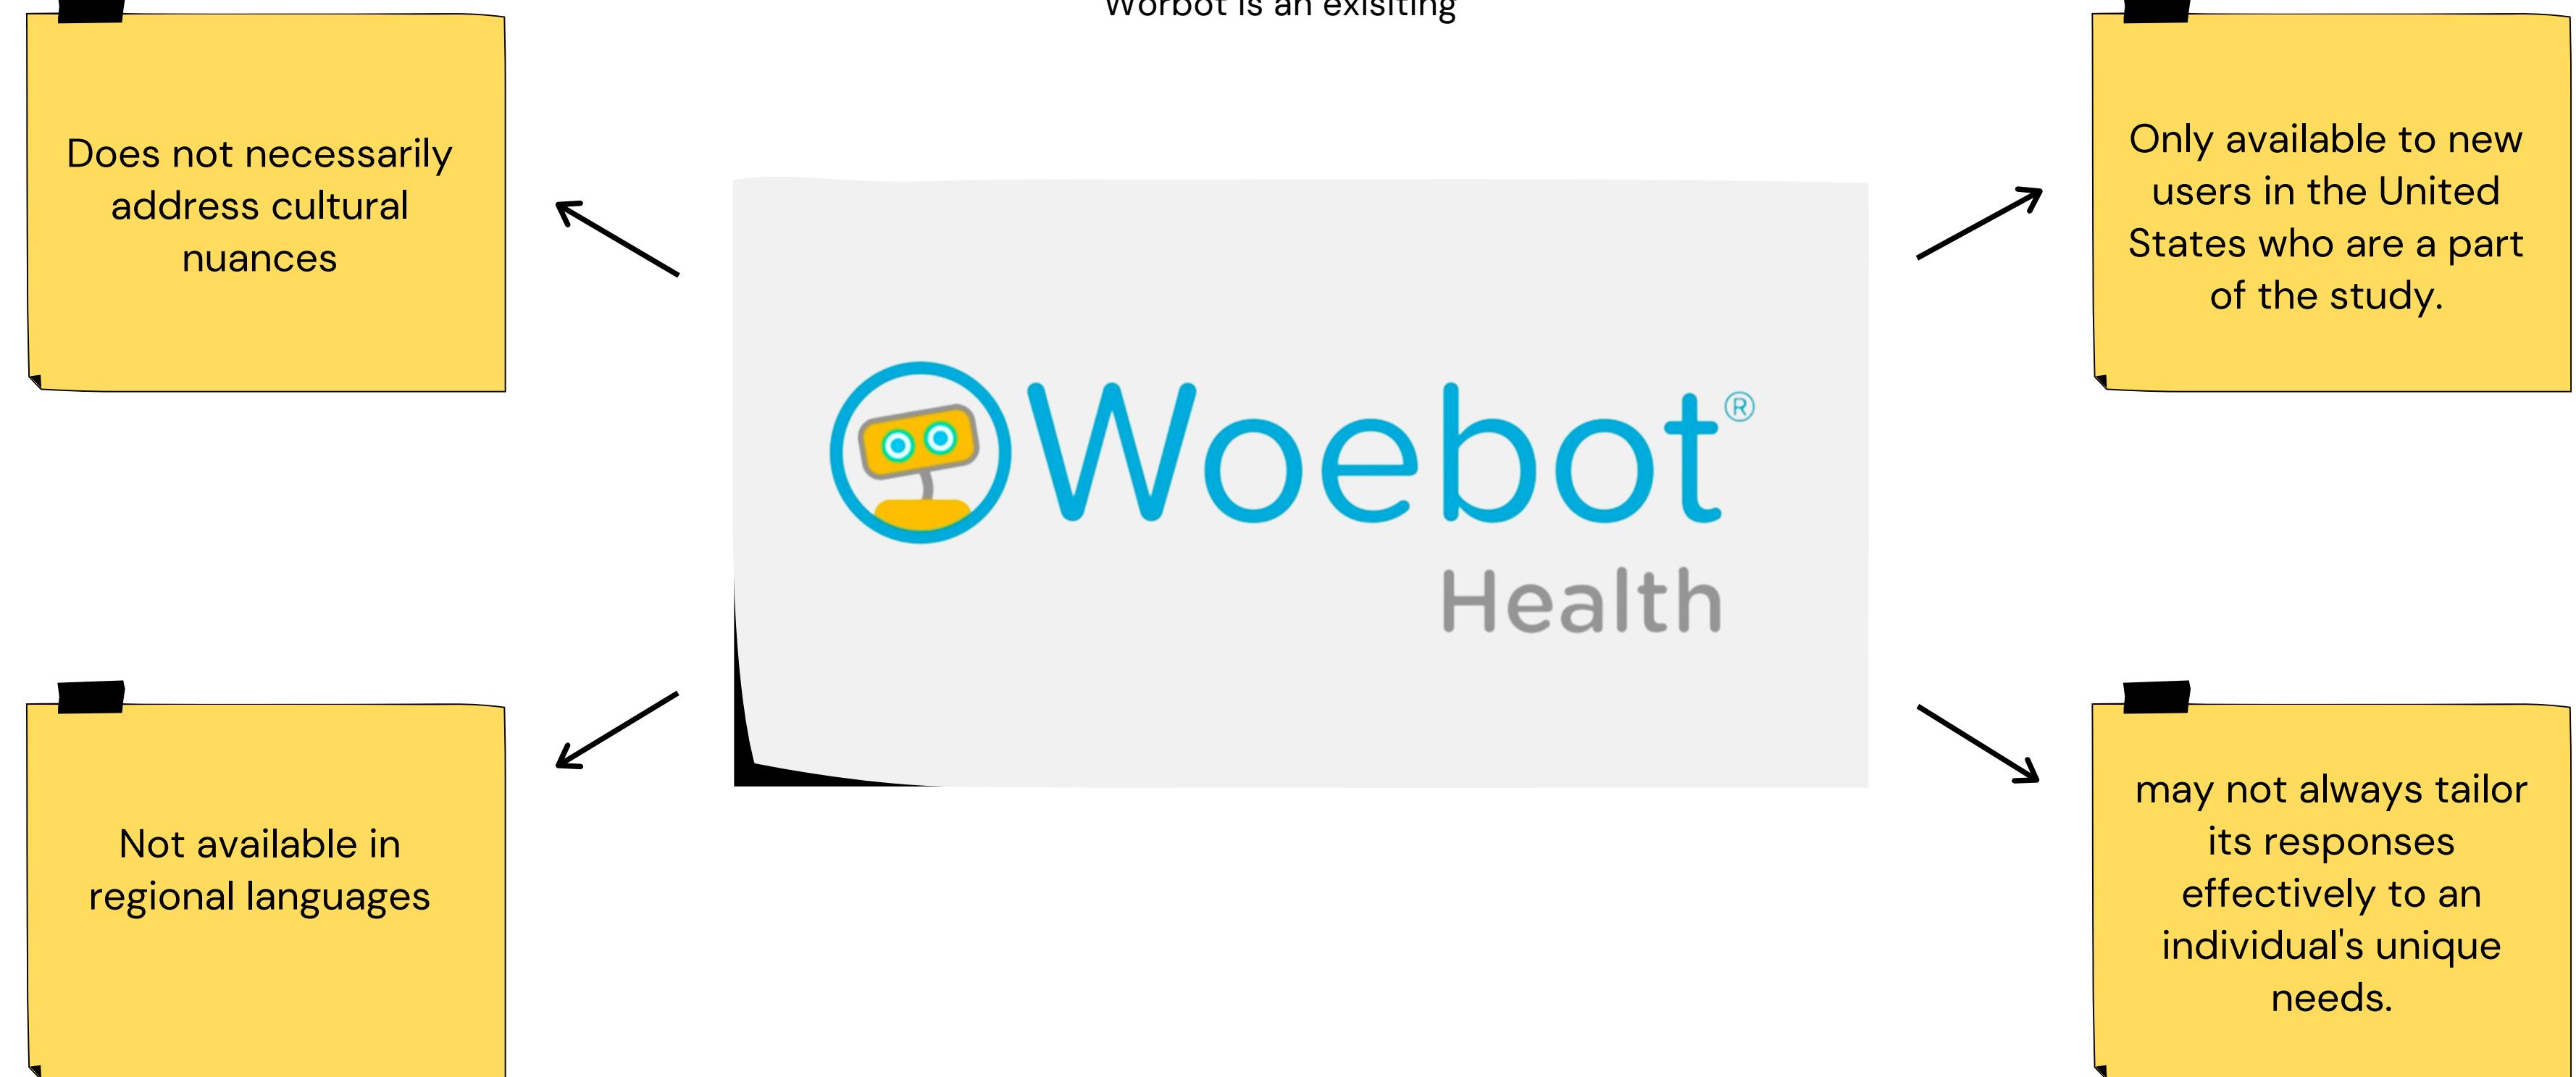

Well, we crafted an amazing AI mood booster!

Imagine an AI sidekick that listens to your blues, transcribes your tales, and whips up some advice straight out of a digital therapy cookbook 🤖👤📝

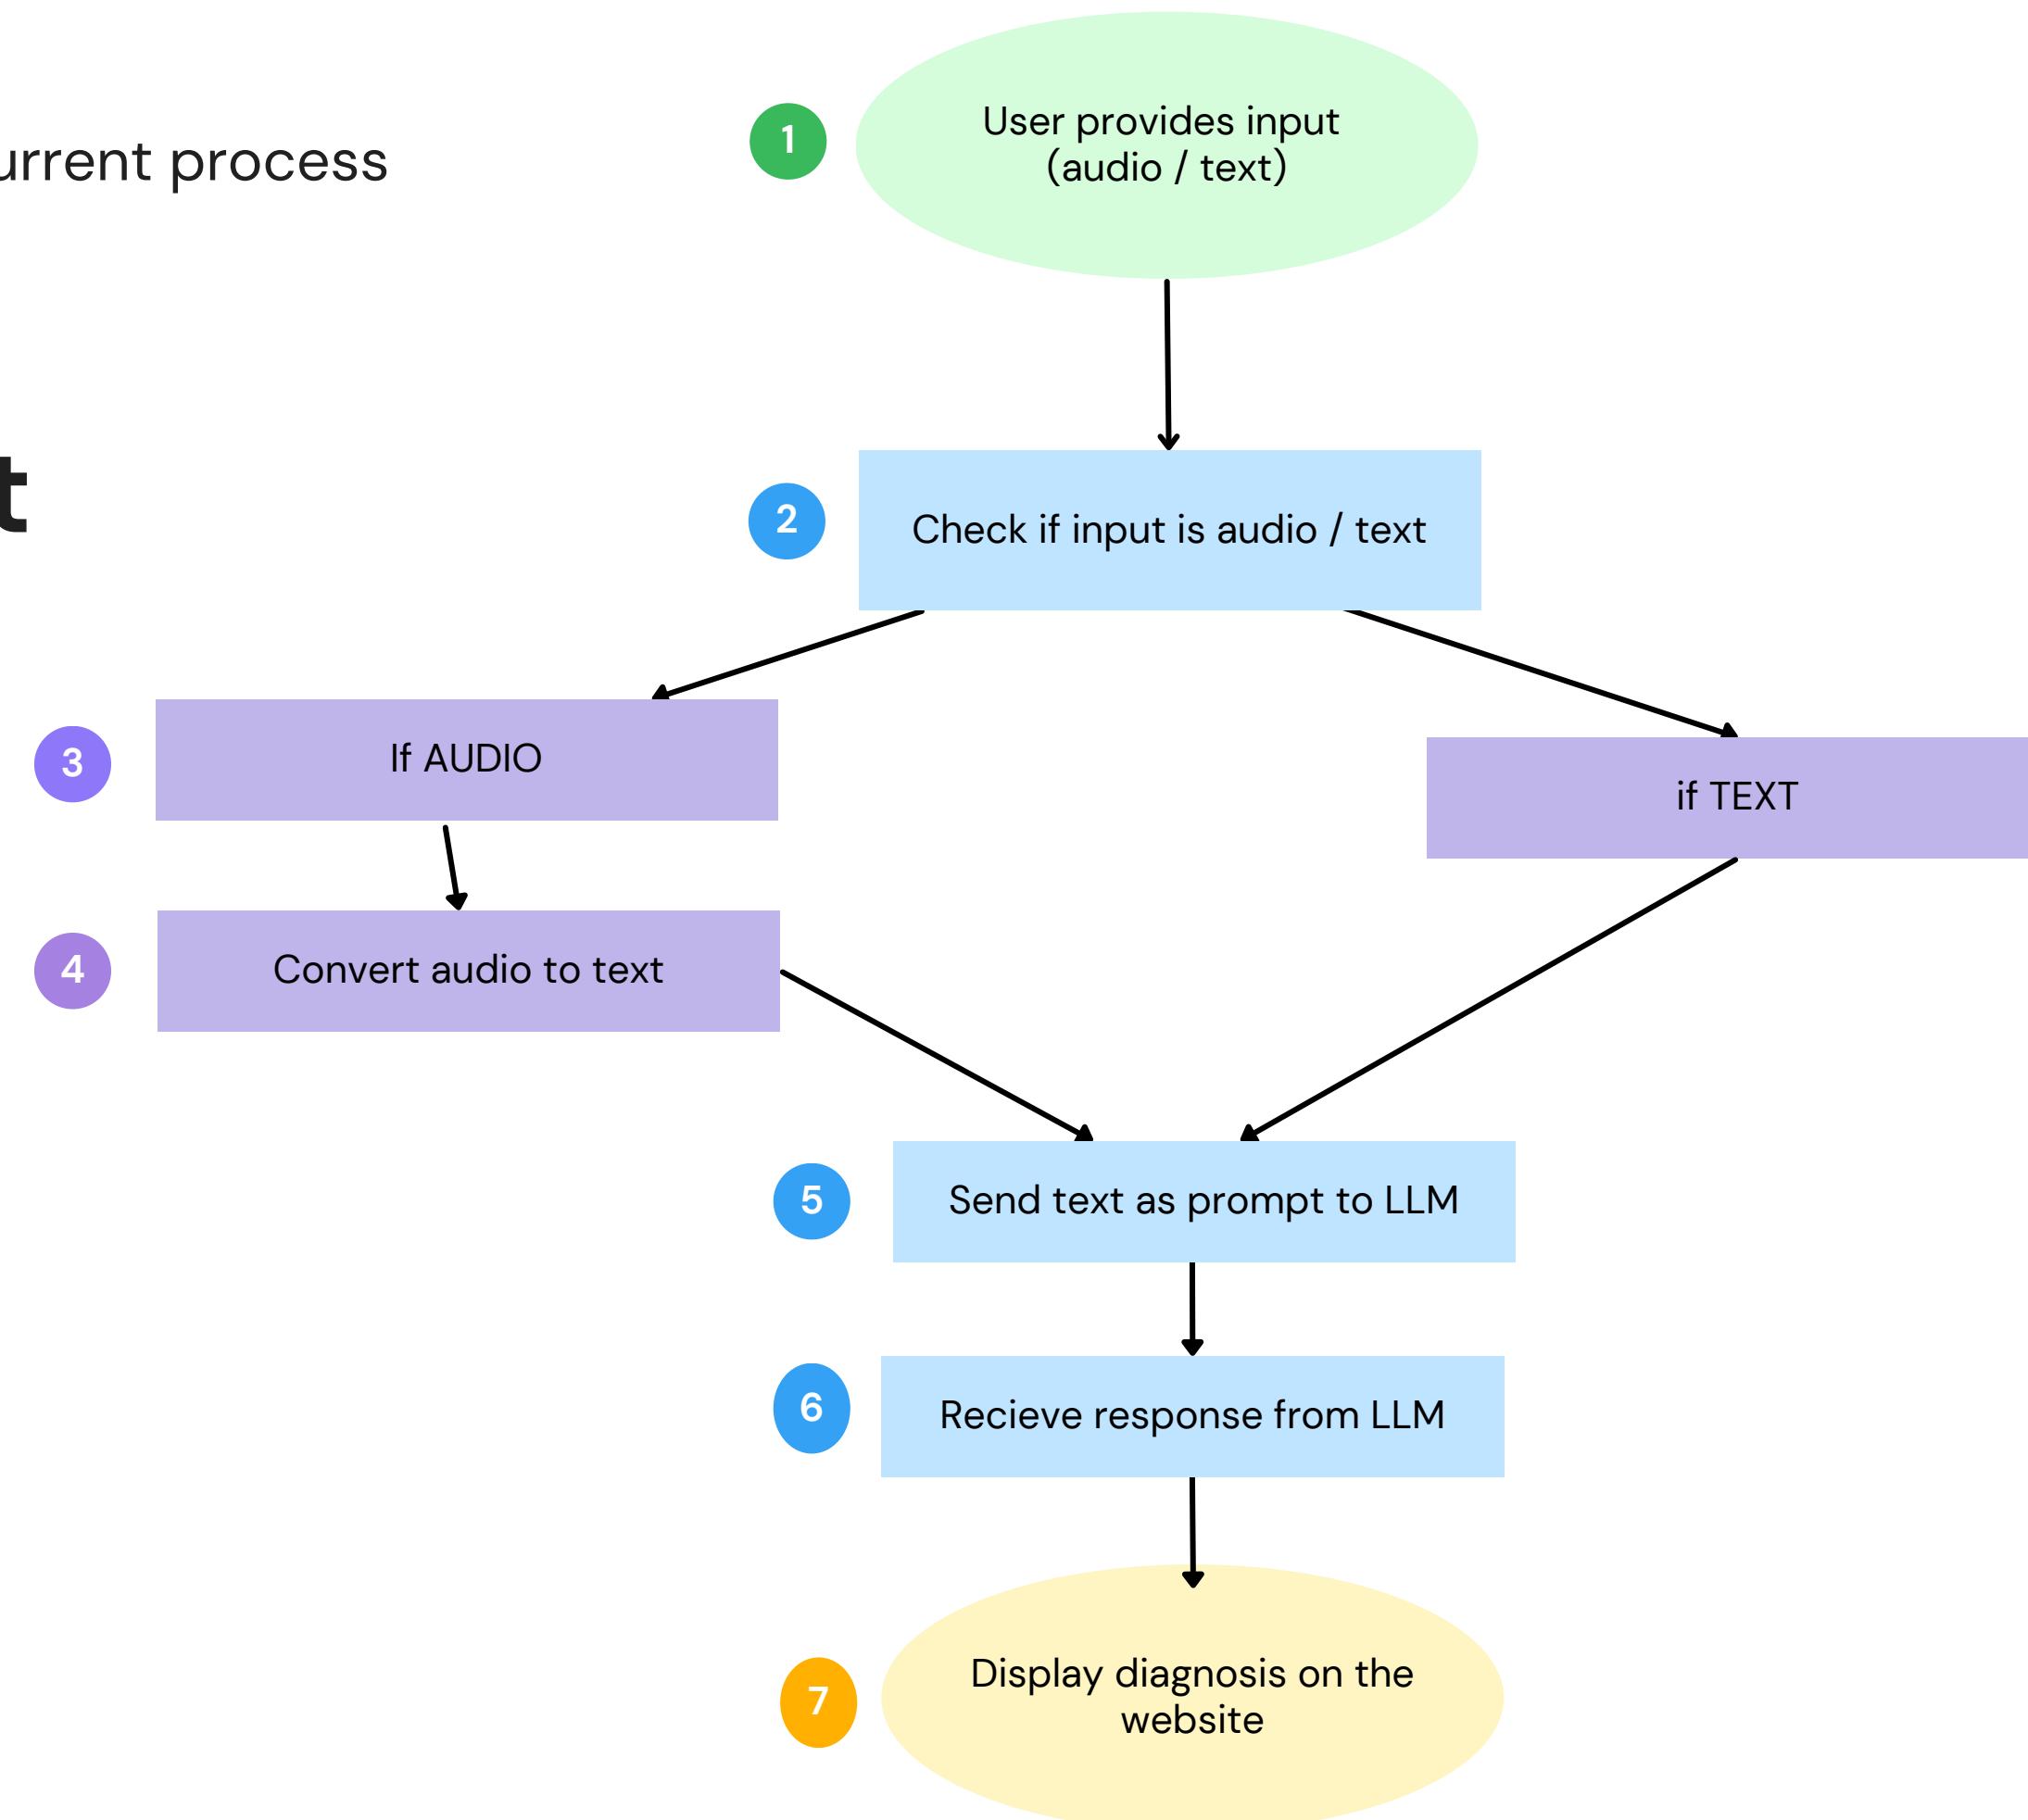

Existing Work

Worbot is an existing

Let's visualize our current process through our

Ideology Flowchart

Our Results

TRANSCRIPT

[00:00.000 --> 00:07.360] It kind of started just feeling a bit low and wound up about things but I don't know
[00:07.360 --> 00:12.760] just recently I just can't really be bothered to do anything at all I kind of
[00:12.760 --> 00:17.880] find it hard to get motivated for things and I want to be I really want to be
[00:17.880 --> 00:23.120] better but it's just kind of reaching the end now where I just I want to do
[00:23.120 --> 00:25.880] something about it.

OUTPUT

Maslow need: self-actualization

It sounds like you are feeling really stuck right now and it's tough to see a way out. It's normal to feel like this at times, but it sounds like it's lasting longer than usual and it's really affecting your life. It sounds like you really want to make a change but you don't know how. That can be a really tough place to be. I'm glad you're reaching out for help. Together we can figure out a plan to get you feeling better.

TherapEase

Ever wished for a friendly AI buddy who can lend an ear and sprinkle a little digital wisdom for those cloudy days? 🤖☁️⚡️

Well, we crafted an amazing **AI mood buster!**

Start Analysis

The screenshot shows a web browser window with a purple header bar containing the text "FRONT-END". Below the header is a toolbar with icons for back, forward, file, and other browser functions. The main content area displays four rounded rectangular cards, each with a different color and icon:

- Hyper-realistic experience** (Purple card):
 - Text: "Unlike other chatbots, conversation with TherapEase feels like talking to a real human being <3"
 - Icon: A lightbulb inside a circle, a speech bubble, and a user profile icon.
- Available 24/7** (Pink card):
 - Text: "No appointments or waiting rooms. Instant replies at any time"
 - Icon: Two hands shaking inside a heart shape.
- Anonymous** (Light Blue card):
 - Text: "You can freely talk to me; No sigma, No judgement."
 - Icon: A silhouette of a person wearing a fedora hat and round glasses.
- Safe** (Teal card):
 - Text: "After all I'm just an AI Bot, So you don't need to worry; Your secrets are safe with me :)"
 - Icon: A shield with a checkmark inside.

FRONT-END

A screenshot of a web browser window displaying a chat application. The browser's address bar shows the file path: /Users/sumedhapandravada/Desktop/hackout1/templates/text1.html. The main content area features a green rounded rectangle containing a white icon of a robot head and the text "Welcome! How can I assist you today?". At the bottom, there is a white input field with the placeholder "Type your thoughts..." and a green "Send" button with a white arrow icon. To the right of the input field is a green "Start Recording" button with a microphone icon.
